

SMA DIPONEGORO 1
JAKARTA

More than 60 years ago, this school embarked on a long journey of educating the nation. With an unyielding spirit of dedication, we continuously foster, guide, and develop the potential of every student to grow into an excellent generation - a generation that is intelligent, has strong character, and is ready to face the challenges in the future. This journey of more than six decades is proof of our commitment to delivering quality education that provides meaning for the future of the country.

SCHOOL PROFILE 25 26

UPDATES

"Our school addresses the demands of 21st-century education through in-depth learning that develops competencies, technological literacy, character building, co-curricular programs, and contextual activities. By enhancing the capacity of our teachers and providing an inclusive learning environment, we prepare students who are adaptive, possess integrity, and are ready to face the future."

- Grade 10
- Grade 11
- Grade 12

PHASE F ELECTIVE SUBJECTS (GRADE 11 & 12)

After students advance to Phase F, they can choose Elective Subjects. The selection of Phase F elective subjects is a process of choosing subjects tailored to the student's interests, talents, and abilities to prepare them for further studies or careers in the future. Students must choose 4 (four) Elective Subjects from several options opened by the school, adjusted to the available teacher resources.

The available Elective Subjects are:

- Physics
- Chemistry
- Biology
- Sociology
- Advanced English
- Geography
- Economics
- Informatics
- Advanced Mathematics
